

SUMMARY OF PROFESSIONAL QUALIFICATIONS OF Douglas Rischbieter

EDUCATION

Master of Arts, Biology. Humboldt State University, April 1985.
Bachelor of Science, dual majors (Fisheries, Biology).
Humboldt State University, December 1983.

PROFESSIONAL

Certified Fisheries Professional (#3469), American Fisheries Society.
(Valid through December 2019)

CURRENT EXPERIENCE

DWR Division of Environmental Services (DES) *(2001 to Present)*
Senior Environmental Scientist (Specialist)
DWR Northern District [Region] Office *(1990 to 2001)*

Twenty-seven years experience working for DWR on projects and issues related to recreation facilities and fish & wildlife enhancement benefits of the State Water Project and other existing and planned facilities. Primary responsibilities have included recreation planning studies for proposed reservoirs; visitor and angler surveys in select areas; fishery investigations related to reservoir operations and tailwater fisheries; Recreation Area Manager of Recreation-Socioeconomic Work Group for DWR during FERC Relicensing of the Oroville Facilities. Part of multidisciplinary team during environmental study and review of BDCP and CalWaterFix project planning – in particular, DWR representative and consultant authors' liaison for EIR/EIS Recreation Chapter production, surveys/studies, public meetings, document review, public comment response.

OTHER EXPERIENCE

Part-time practicing fisheries biologist for California State Parks *(1988 to Present)*
